are:

The parties in this matter agree to the terms and conditions of the
attached Stipulation as the final decision of this matter, subject to the
approval of the Board. The Board has reviewed this Stipulation and considers
it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation
and makes the following:

FINDINGS OF FACT

1. Suzanne I. Thorsen (D.O.B. 01/31/54) is duly licensed in the state
of Wisconsin as a registered nurse (license #96459). This license was first
granted on March 20, 1987.
2. Respondent's latest address on file with the Department of
Regulation and Licensing is 403 South Main Street, Edgerton, WI 53534.
3. At all times relevant to this action Respondent was working as a
registered nurse at St. Mary's Hospital Medical Center, Madison, Wisconsin.

4. On February 10 and 11, 1991, Respondent on three occasions ordered Demerol and Morphine for patients but failed to account for disposition of the drugs.

5. During the period April 11, 1991 through April 28, 1991, Respondent on fifteen occasions ordered morphine tubexes for patients but failed to account for disposition of the drugs. Some of the patients were not assigned to Respondent for care.

6. On February 10, 1991, Respondent was assigned to the care of patient R.C. who suffered from unstable angina. Although the patient complained of significant chest pains, and apparently required a large dosage of morphine, Respondent failed to report the change in condition to the patient's physician.

7. In November, 1992, Respondent submitted to a chemical dependency evaluation by University of Wisconsin Outpatient Services. The results of the evaluation were inconclusive, and did not establish that Respondent is chemically dependent.

CONCLUSIONS OF LAW

By the conduct described above, Respondent is subject to disciplinary action against her license to practice as a registered nurse in the state of Wisconsin, pursuant to Wis. Stats. sec. 441.07(1)(b), (c) and (d), and Wis. Adm. Code sec. N 7.03(1) (b) and (c) and N 7.04(2) and (6).

ORDER

NOW, THEREFORE, IT IS HEREBY ORDERED that :

1. The license of Suzanne I. Thorsen shall be SUSPENDED for a period of not less than one year.

2. The suspension shall be stayed for a period of three months, conditioned upon compliance with the conditions and limitations set forth in this Order. During the initial stay of suspension Respondent shall participate in a course approved by the Board of nursing ethics.

a). Respondent may apply for consecutive three month extensions of the stay of suspension, which shall be granted upon acceptable demonstration of compliance with the conditions and limitations imposed upon Respondent's practice during the prior three month period.

b). If the Board denies the petition by Respondent for an extension of stay, the Board shall afford an opportunity for hearing in accordance with the procedures set forth in Wis. Adm. Code Ch. RL 1, upon timely receipt of a request for hearing.

c) Upon a showing by Respondent of complete, successful and continuous compliance for a period of one year with the terms of this Order, the Board shall grant a petition by Respondent for return of full licensure.

3. Upon request, Respondent shall provide the Board with current releases, complying with federal and state law authorizing release of counseling, treatment, monitoring and employment records.

4. Respondent shall remain free of alcohol, prescription drugs and controlled substances not prescribed for valid medical purposes during the term of this Order.

5. Respondent shall arrange for quarterly reports to the Board of Nursing from her employer evaluating her work performance. Respondent shall refrain from access to or the administration of controlled substances in her work setting until such time as access or administration is approved by the Board of Nursing.

6. Respondent shall report to the Board any change in employment status, change of address or phone number, within five days of any such change.

7. Respondent may petition the Board in conjunction with any application for an additional stay to revise or eliminate any of the above conditions. Denial in whole or in part of a petition under this paragraph shall not constitute a denial of license, and shall not give rise to a contested case within the meaning of Wis. Stats. sec. 227.01(3) and 227.42.

8. Violation of any of the terms of this Order shall be construed as conduct imperiling public health, safety and welfare, and may result in a summary suspension of Respondent's license. The Board in its discretion may in the alternative deny an extension of stay of suspension or impose additional conditions and limitations or other additional discipline.

This Order shall become effective upon the date of its signing.
